

WE'RE HOSTING A SOLES4SOULS SHOE DRIVE 4THEPLANET!

WHY SHOES?

The average person in North America throws away 70 pounds of textiles every year. That's 21 billion pounds of extra waste dumped in our landfills every year! And the EPA estimates only 15% is donated or recycled.

Since 2006, Soles4Souls and its amazing supporters have diverted 66 million pounds of shoes and clothing from landfills.

Help us continue to protect the environment by donating your gently-used shoes and providing empowering opportunities for people in need around the world.

At Soles4Souls, we turn unwanted shoes and clothing into opportunity, by keeping them from going to waste and putting them to good use – providing relief, creating jobs and empowering people to break the cycle of poverty. Learn more at soles4souls.org
