"I can't tell you how grateful I was to feel a comfortable pair of shoes on my feet. Thank you for giving me a pair of shoes to wear during my search for a job."
Shoe recipient, Amity Foundation, Los Angeles

OPPORTUNITY

Soles4Souls sells and distributes shoes and clothing through our international partners to help people build small businesses.

Creating opportunity through **60 MILLION** pairs of new and gently used shoes and **37 MILLION** articles of clothing to date.

"Prior to selling shoes through Soles4Souls, I was unable to care for my family. One pair can help me send my kids to school, help feed my family, and bring joy to my kids and husband. I, and other women like myself, have been able to regain control of our lives."
Ginette, Haitian Entrepreneur.

EVERYKID

Soles4Souls partners with schools across the U.S. to get new athletic shoes to children who are experiencing homelessness, eliminating a barrier to educational and extracurricular opportunities.

Through 4EveryKid, we've provided school districts **275,000** pairs of brand new shoes.

"My shoes make me feel that I can do anything and believe in myself and go on!"
3rd Grader, Orlando, FL

THE PLANET

Soles4Souls cares for our planet and for people by extending the life of shoes and clothing that might've otherwise been prematurely discarded.

Donating your shoes and clothing reduces their CO2 impact per wear by extending their life at least **15 months**. To date, we've diverted **42 MILLION KILOGRAMS** of textile out of landfills.

"We love when shoes avoid landfills and stay in use. Circularity is a collaboration taking a unique skillset to be successful. We're thankful for the partnership with Soles4Souls."
Deanna Bratter, Global Sustainability, Crocs, Inc.

OUR NORTH STAR: **\$1 BILLION** IN ECONOMIC IMPACT BY 2030.

We invite you and your congregation to get involved in our giving back program!

Whether you're looking for an awareness campaign for Lent, a collection drive for Vacation Bible School, or a worthy cause to contribute a Mission Plate to, we have something for everyone!

1 MISSION PLATE

Did you know that 767 million people around the world live on less than \$1.90 per day? For many in developing nations, finding a reliable job that generates a sustainable income is not easy. What if you could help people around the world overcome these obstacles by giving them the tools they need to provide for themselves and their families?

Many of our faith-based partners choose a Sunday to contribute a mission plate to our mission. Either by passing a second collection plate, or dedicating a percentage to our mission. This is a easy way to get involved and contribute to ALL of our programs; creating jobs in developing countries and providing relief where it's needed around the world, and here at home!

HOW IT WORKS AND WHAT IT MEANS

Soles4Souls social enterprise model repurposes gently worn shoes and clothing and creates new opportunities for people in need all around the globe through our 4Opportunity program.

HOW IT WORKS

Here's a look at our process:

Repurposed shoes are donated to Soles4Souls by individuals, shoe drives and footwear companies.

Once sorted, we transport the shoes to vetted nonprofit organizations on the ground in developing nations, who purchase them for an average of \$1 per pair.

Our nonprofit partners provide training and support where job opportunities don't currently exist. People start small businesses selling shoes within their local communities.

Selling shoes generates the income business owners need to lift themselves and their families out of poverty, and an entire community has access to affordable shoes.

WHAT IT MEANS

Your shoes=income for entrepreneurs to provide for their families

The sale of 1 pair of shoes can provide 5 meals for Marie-Ange and her family in Haiti.

20 pairs of shoes can provide a year's worth of shelter for Ginette and her family in Haiti.

Just 30 pairs of shoes can provide a year's worth of schooling for Tracy's daughter in Honduras.

Get involved on a more tangible way and raise awareness!

Whether you're looking for an awareness campaign for Lent, a collection drive for Vacation Bible School, or a worthy cause to contribute a Mission Plate to, we have something for everyone!

3 BAREFOOT SUNDAY

This awareness campaign is a unique and powerful way to get the congregation involved in learning what it means to be a Cheerful Giver (2 Corinthians 9:7). Whether you are giving a sermon on the power of giving or making an impact through a shoe drive or mission plate tithe, Barefoot Sunday is a perfect way to bring awareness of the millions of people around the world who lack access to resources as basic as a pair of shoes. We have seen incredible success stories over the power of worshipping barefoot while hosting a drive, or even encouraging the congregation to donate the shoes off of their own feet.

We would love to brainstorm with you to get creative over what Barefoot Sunday can look like for your organization!

MEET YOUR IMPACT

Vanessa Rodriguez is 25 years old, has two children and lives in a struggling rural community in Honduras where most live in extreme poverty (less than \$1.90 per day.) For Vanessa and many others, finding a stable job with a sustainable income wasn't a reality and had a tough time making ends meet.

Soles4Souls first met Vanessa after we distributed shoes to her children and soon realized an opportunity to work with our partner on the ground to develop a micro-enterprise program where community members could sell used shoes to generate income. Vanessa has since assumed a leadership role as president of the community co-op. Vanessa and three other members sell shoes on a continual basis to provide for their families and community.

Marie-Ange Espera lives in Haiti, where 2 out of 3 people live on less than \$2 per day. Just a few years ago, Marie-Ange was living in a small shack with her daughter without a reliable way to bring in a steady income and was facing eviction. She and her daughter would be forced to live on the streets.

Marie-Ange soon found the Haitian American Caucus an organization that provides loans to entrepreneurs to start their own small businesses. Today, Marie-Ange is a successful entrepreneur. With the help of the Haitian American Caucus and Soles4Souls, she now has a thriving business selling shoes and clothing. Because of her newfound success, Marie-Ange has been able to build a home for her family and continues to grow her business every day.
