Talking Points and Statistics

Mission Statement

Soles4Souls creates sustainable jobs and provides relief through the distribution of shoes and clothing around the world.

Turning Shoes and Clothing into Opportunity

At Soles4Souls, we turn unwanted shoes and clothing into opportunity, by keeping them from going to waste and putting them to good use - providing relief, creating jobs and empowering people to break the cycle of poverty.

Why Shoes and Clothing?

Something as simple as a pair of shoes can make a big difference.

- ***Sustainability*** - By putting unwanted shoes and clothing to good use, textiles are kept out of landfills.
- ***Health*** - Shoes and clothes prevent injuries and illnesses, and they provide dignity to people in need.
- ***Opportunity*** - Micro-entrepreneurs sell shoes and clothing to build businesses and support their families.

Our Work

We focus on three main program areas to fulfill our mission:

- ***Free Distribution*** - We distribute new shoes and clothing, donated by our corporate partners, to people in need in the US and around the world.
- ***Micro-enterprise*** - We help hard-working entrepreneurs build their own small businesses selling donated shoes and clothing.
- ***Impact Travel*** - Traveling on a Soles4Souls Global Experience is a great way to learn new cultures, meet amazing people and play a hands-on role in distributing shoes to people in need.

Our Impact

Since 2006, our supporters and partners have kept over 35 million pairs of shoes from going to waste, and we've distributed them in 127 countries and all 50 US states.

Our Goal:

To create \$1 Billion in economic impact by 2030.
