**STEP 1:** Prep, prep, prep! Make sure shoes are paired and bagged with a donor form inside. So that we can ensure your shoes are counted, you **MUST** fill out the online form (<https://soles4souls.org/miss-utah-digital-donor-form/>) and put a copy of the confirmation in each bag.

**STEP 2:** Once you arrive at the Protection Self Storage, go to front desk, let them know your name and that you have been approved to drop off shoes with Soles4Souls. You will be given a key to the unit and directions on where unit is located. **Please use this code to enter the gate: star13336#**

**STEP 3:** Load your shoes in the unit!

### HOW TO LOAD:

- Unit must be loaded from floor to ceiling and **NO BOXES** are allowed in storage unit
- Please load your shoes all the way to the back of the unit and there should be **NO** space at the top of the unit
- Please respect your other candidates. We have a lot of shoes to load and it's important that shoes are loaded tight

**STEP 4:** Take a photo of inside of unit before you leave and email to Lydia Dowdell a [lydiad@soles4souls.org](mailto:lydiad@soles4souls.org)

**STEP 5:** Return key to management at Provo Self Storage

**STEP 6:** Double check your pockets, car and belongings to make sure you **HAVE** returned the key – this is super important!

**Step 7:** Pat yourself on the back! **YOU** have made a difference! We appreciate your hard work and dedication to our mission. :)
